Product Overview - UV Printer Ink

UV Printer Ink, also known as Printing Ink Jet UV, is a specialized type of ink used in UV printers. It is designed to provide high quality and durable prints on various materials, such as Mobile Phone Cases, Acrylic, and Leather. With its outstanding features, it has become the preferred choice of many printing professionals and businesses.

Features:

Vivid Colors: UV Printer Ink offers a wide range of vivid colors, allowing you to create vibrant and eye-catching prints. This is perfect for printing designs, logos, and images on different materials, making them stand out.

Good Adhesion: The ink has excellent adhesion properties, ensuring that it adheres well to the surface of the material. This results in

prints that are long-lasting and resistant to peeling, cracking, and fading.

Scratch Resistant: UV Printer Ink is also scratch resistant, making it ideal for printing on items that are frequently touched or handled, such as mobile phone cases. This ensures that the print remains intact and maintains its quality even with regular use.

Flexibility:

The flexibility of UV Printer Ink makes it suitable for a wide range of materials, including Mobile Phone Cases, Acrylic, and Leather. It can be used on both flexible and rigid surfaces, making it a versatile choice for various printing needs.

Capacity:

The UV Printer Ink comes in a capacity of 1000 ml, providing a sufficient amount of ink for large printing projects. This saves time and effort in refilling the ink and ensures uninterrupted printing.

Compatibility:

UV Printer Ink is compatible with various UV printers, including Ricoh G5G6, Toshiba, Seiko, and Konica models. This allows for a seamless printing experience and ensures that the ink works efficiently with the printer.

In conclusion, UV Printer Ink is a high-quality and versatile product that offers vivid colors, good adhesion, scratch resistance, and flexibility. With a large capacity and compatibility with leading UV printers, it is an excellent choice for all your printing needs.
